

Awana Christmas Buck Store

**THIS Wednesday,
December 9**

Our Christmas Buck Store for Awana kids is set for **THIS** Wednesday, December 9th from 5:30-8:30. Please note the following information if you plan to participate:

- Masks are encouraged
- Distancing will be observed.
- Kids will shop by family. If possible, please try to shop during the times listed below. We want to do our best to monitor the number of people in the Family Center at one time.

Last Name

A-G 5:30

H-L 6:15

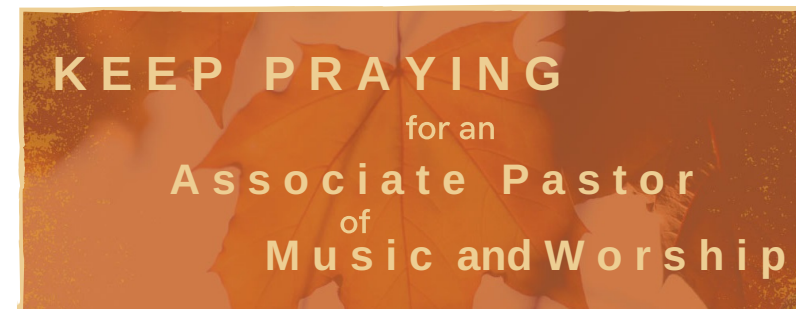

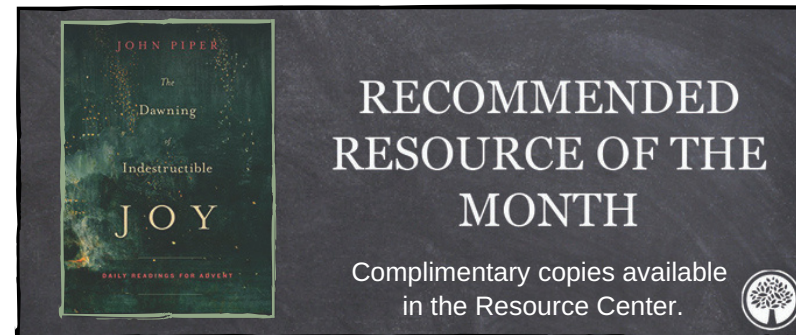

M-P 7:00

R-Z 7:45

- Tables will be restocked all night so that kids who shop later will not be at a disadvantage.
- No wrapping stations will be set up so please bring large bags to conceal any Christmas surprises your child may buy for other family members.
- Bucks the kids earned last year will carry over into this year. Kids are encouraged to shop for their family but can also buy for themselves. Limits may be set on purchase amounts to ensure we have plenty to go around. Any bucks not used at the Christmas store will still be available for the spring Buck Store at the end of the Awana year.
- Kids who have moved up to 7th grade can opt to use their bucks from last year to shop or can have them transferred over into a gift card for use at the intersection Cafe.

If possible, please text or email Sharon Carey if your child **WILL NOT** be shopping at the Christmas Buck Store.
