

COMING THIS FALL AFTER SCHOOL CARE PROGRAM AT NEW CASTLE BIBLE CHURCH

Register Soon!

New Castle Bible Church is offering an after-school care program for children in K-8th grade within the Dee-Mack school district between the hours of 2:30-5:30pm. Bus transportation will be provided after school to the church at 17931 Dee Mac Rd., Mackinaw with the help of the Dee-Mack school district buses.

We are pleased to offer this faith-centered program to encourage children and provide homework help. Tutoring services for kindergarten – high school students needing one-on-one help will be available 2-3 days per week (registration required).

Beginning in July, interested families are encouraged to reserve space for their child/children by completing an application in the church office or at MyNCBC.org. Space is limited. Cost per child is \$8 per day.

If you have any questions, please contact the program director listed in the bottom right box.
